Grade IV

Activities for Summer Retreat

Dear Students,

While you enjoy your summer retreat here are some interesting activities planned especially to keep you in action during the lazy summer days.

Subject	Activities
English	<p>Write a short story in your English notebooks. Imagine the shoebox as a stage and show one event of any part of the story that you have written. Create paper puppets for characters, and create a setting with colours and scrap bits of paper. Use threads to show the puppets in action. Then use the written story as a cartoon and display it in class.</p> <ul style="list-style-type: none"> Resources required: A shoebox, long pieces of thread, colour pencils, pencil, eraser, sharpener, a pair of scissors and sketch pens <p>Create a story ladder: Draw the main characters on paper pieces. Cut and paste them on either side of the rectangular piece of chart paper used to write the title. On the first chart paper square, write the main idea of 'The Torch'. Then make holes with a compass on the bottom two ends. On the second chart paper, write the details and make two holes at the bottom again. Finally, on the third square, write the summary of the story. Now use ribbon/shoelace to connect the squares to each other.</p> <ul style="list-style-type: none"> Resources required: 3-4 chart paper squares (A3 SIZE), a compass, colour pencils, eraser, sharpener, sketch pens, a pair of scissors, 1m coloured ribbon/shoe lace.
Hindi	<p>pazya pustk maom dl ga[- 'Ba@t isaMh kl ka^imak isT/p 'pZ,oM AaOr]nako baaro maom batato hue Apnao ima~ kao p~ ilaKoM.</p> <p>yaid Ba@t isaMh ko saaqa Aap AaMdaolana maom Baaga laoto tao doSa kao Aaja,ad krvaanao maom Aap]nakl madd kOsao krtoÆ</p> <p>yah saba kaya- Aap Apnal kaya- puistka maom kroM.</p>
Math	<ul style="list-style-type: none"> Make a hundreds chart. Colour all the multiples of 1 to 10 using different colours. Observe the pattern Do the worksheet attached in your notebooks
Science	<ul style="list-style-type: none"> Take pictures of any 5 wild and 5 domestic plants growing near your house. Paste them in your scrape book. Also write the names of each plant along with its features (Describe the stem, leaves, flowers and roots)
Social Science	<p>Talk to your parents/grandparents and collect information on the changes in your family in the last 20 years. Collect some photographs to show how the family has changed with time. Paste the photographs and write how the family has changed in the template provided in your notebook</p>

Enjoy your vacations and do something good every day. Remember, the tans will fade but memories will last forever.

Happy Holidays!
