

Uttam School for Girls
Grade V
Activities for Summer Retreat

Dear Students,

While you enjoy your summer retreat here are some interesting activities planned especially to keep you in action during the lazy summer days.

Subject	Activities
English	<p>Make a list of the books you read during your holidays. (Suggested Authors -Roald Dahl, Enid Blyton, R.K.Narayan)</p> <ol style="list-style-type: none">1. Read a book that has many different characters in it. Plan and write character sketches for the main characters in the book. Maintain a character sketch journal for all stories and books that you read2. Maintain a journal called 'Magnified moments.' Write about different interesting events that you have been a part of. For example: a festival celebration, a carnival, etc. Write about two interesting events in your English notebooks.
Hindi	<p>pazya pustk maom idyaa gayaa 'Eal inavaasa ramaanaujana '</p> <p>paz pZ,oM AaOr ilaKoM ik yaid Aapko ivad\yaalaya maom</p> <p>gaiNat idvasa manaayaa jaae tao Aap Jsaka Aayaaojana kOsao</p> <p>kroMgaoMÆ</p> <p>eosao dao Dak iTkT ek~ krnao ka p`yaasa kroM ijasa pr</p> <p>ramaanaujana jal ka ica~ banaa hao.yao Dak iTkT Aap</p> <p>[MTrnaoT sao lao sakto hOM.</p> <p>yah saba kaya- Aap Apnal kaya- puistka maom kroM.</p>
Math	<ul style="list-style-type: none">• Take 100 Rajma beans and divide them into groups of two, three, four, and so on till 10.• Check if your Rajma beans are equally distributed for all of these numbers.• Do the practice worksheet attached in your notebooks
Science	<ul style="list-style-type: none">• Take an onion and a carrot. Dip them in two glasses of water so that their bottom part is immersed in water. Take a picture of the setup. Leave it for a few days. Observe a new plant coming out from them. Take a picture of the new plant. Paste the pictures on a coloured sheet of paper and explain how vegetative propagation occurs in them• Write a paragraph in about 200 words on <u>My Favourite "Green corner in school"</u> and mail it to your class teachers to be uploaded on the blog 'Ecologgers' started by grade V students on the occasion of Earth Day
Social Science	<p>Gather information about any three natural disasters, the reasons for their occurrence and the after-effects, and what safety measures can be taken to escape their effect. Paste a few pictures and prepare a report on the template provided in your notebook</p> <p>You can visit the following websites to collect relevant information</p> <p>http://en.wikipedia.org/wiki/Natural_disaster</p> <p>http://www.factmonster.com/ipka/A0775896.html</p> <p>http://www.schoolatoz.nsw.edu.au/homework-and-study/other-subjects-and-projects/science/natural-disasters-project</p>

Enjoy your vacations and do something good every day. Remember, the tans will fade but memories will last forever.

Happy Holidays!
