

UTTAM SCHOOL FOR GIRLS

II EDITION OF ALUMNI NEWSLETTER

From the Principal's Desk

Ms. Sharmila Raheja
Principal

Dear Alumni

I am delighted to share some remarkable achievements and progress made by our school. Our students have excelled in the CBSE board results, showcasing their academic prowess and dedication to learning.

In addition to our students' accomplishments, I am proud to highlight the efforts of our esteemed faculty. They have been actively engaged in sharing our best practices with other schools across the country through CBSE webinars and interactive classes on NCERT's PM e-Vidya channel. Their commitment to educational excellence is truly commendable.

Furthermore, the summer season has provided our students with invaluable opportunities for global exposure and international visits. They have embarked on enriching trips to Singapore and Germany, broadening their horizons and fostering a global perspective.

As we celebrate the achievements of our students in school and faculty, I am equally inspired by the remarkable accomplishments of our esteemed alumni.

We look forward to an update on your milestones and professional achievements. We would love to share your stories in future editions of this newsletter and celebrate your accomplishments as a testament to the exceptional education provided by our institution.
