## UTTAM INSIGHT 2023-24

### Grades III-V

#### Principal's Desk

Dear Students and Parents

As we approach the close of 2023, I am delighted to share an overview of Uttam School for Girls' accomplishments and initiatives that have shaped this remarkable year.

Our students actively engaged in diverse workshops, elevating their skills in STEM and the arts. Meaningful meetings, involving teachers, parents, and students, fostered collaboration and effective communication, shaping our educational strategies.

We are thrilled to announce significant additions to our school, including cutting-edge infrastructure, technology, and brilliant faculty members, enhancing the overall learning experience for our students.

Looking ahead, 2024 marks the 30th year of Uttam School for Girls. This milestone is a testament to three decades of dedication to education, empowerment, and excellence. We invite you to be part of our celebration and witness the vibrancy of our academic community.

Your continued support is instrumental in our success. We invite you to visit our school and share your insights. Write to us at [uttamschool@gmail.com](mailto:uttamschool@gmail.com) with your thoughts and suggestions, fostering a collaborative environment.

Ms. Sharmila Raheja  
Principal

#### Headmistress's Desk

Dear Students and Parents,  
Greetings on the New Year!

As we embrace the month of February, I am delighted to share the latest news and updates from our vibrant primary wing.

We have been registered as an International school and will introduce the Cambridge International Curriculum in the Early Years and the Primary in the new session. This is a step towards providing high quality education of global standards to all our students. The focus will be on active student centric learning with a rigorous curriculum that builds higher order thinking skills. Additionally english language enhancement will be the pivot of this curriculum.

We have been successfully engaging our students with the XSEED curriculum for more than a decade and now this is an upward leap to even greater educational excellence.

We hope the students realize their potential with a curriculum that empowers them to think creatively, innovate and be problem solvers!

As our students continue to shine in their academic and co scholastic pursuits, I applaud their dedication to learning and the spirit of curiosity and enthusiasm that is palpable in every classroom.

Looking ahead, we have an array of exciting activities planned, including class days and orientation programmes for the new session. I encourage you to stay involved and engaged in your child's education journey.

Remember, our doors are always open for any questions, concerns, or feedback you may have. Let's work together to ensure the success and well-being of our students.

Wishing you a wonderful year filled with joy, growth, and achievement.

Warm regards,

Arti Khanna

Headmistress

#### Editor's Message

As the literary secretary of the primary wing, I'm excited to share all the exciting academic and extracurricular experiences that took place at school this year. Our school is like a second home where students engage in a variety of activities, from learning and playing to personal growth.

At Uttam School for Girls, we're not just students; we're lifelong learners, critical thinkers, and compassionate individuals. The school believes in education beyond books, aiming for holistic development. Throughout the year, we dived into various activities – science fairs, art exhibitions, interschool competitions, and dance performances – showcasing our talents.

I'm bursting with pride to share that our school has achieved remarkable success – securing the 1st position in Ghaziabad and an impressive 5th place in Delhi NCR. As a student, being part of such an accomplished institution is truly an honour. This achievement goes beyond just academics; we explored new sports, joined vibrant clubs, and uncovered a wealth of opportunities. It's not merely about textbooks; it's about embracing the richness and diversity of life that our school encourages.

Uttam School is our nurturing haven. It's where we not only study but also grow physically and emotionally. The support and care we get here are just as important as the lessons we learn.

So, there you go! A little peek into the fantastic year we had at Uttam School. Looking forward to more adventures and learning in the coming years!

Samaira Adlakha  
Literary Secretary, Primary Wing

#### Uttam Milestones

*Uttam School for Girls Setting the Standard as School of the Year in Educational Brilliance!*

## Enchanting Equations and Spectacular Shapes: The Mighty Math Carnival!

Uttam School for Girls hosted the Mighty Math Carnival on December 22, honoring the achievements of the great mathematician Srinivasan Ramanujam on National Mathematics Day. The theme for this year is 'Mathematics for Everyone' showcasing the importance of making mathematics easy and inclusive for everyone. The school transformed into a math wonderland. The students from various schools in NCR participated in inter-school events like Shape-a-Boo Bonanza, Santa's Mathland, Numeric Path Finder, Come Let's Shop, to name a few blending the power of numbers with the realities of life.

There were so many interesting math games stalls to play and enjoy. Guests, teachers and students from various schools in NCR were engaged in playing math games showcasing their incredible math skills. The Mighty Math Carnival took us on a unique educational ride where we connected mathematics with the real world. The activities at the Math Carnival brought learning mathematical concepts and enjoyment together in a fantastic way!

## Veer Gatha: A Tale of Courage and Resilience!

In a world filled with stories of bravery and sacrifice, rifleman Sanjay Kumar's life stands as a shining example of unwavering courage and dedication to duty. He was born on 3rd March 1976 in Himanchal Pradesh. His remarkable journey is a testament to the indomitable spirit of human will and bravery.

Rifleman Sanjay Kumar's name became etched in history during Kargil war of 1999. The conflict in the icy heights of the Kargil region was a true test of the Indian soldier's mettle.

Rifleman Sanjay Kumar displayed exceptional bravery that would make him a household name.

I am highly motivated by rifleman Sanjay Kumar who volunteered to be the scout of the attacking column tasked in a captured area Flat Top of the point 4875 in the Mushkoh valley on 4th Jul 1999. With unwavering determination, he advanced alone through a hail of bullets to reach one of the bunkers. He displayed indomitable spirit with utter disregard to personal safety. In the ensuing hand to hand combat, he killed three of the intruders and was himself seriously injured. Despite being injured he picked up the weapons left by the enemies and killed fleeing enemies. For this extraordinary bravery, he was awarded the Param Vir Chakra, India's highest military honor, making him a national hero.

Rifleman Sanjay Kumar's story continues to motivate generations of Indians. He embodies the values of selflessness, bravery and unwavering dedication to duty.

## Jonquil Jamboree: A Blossoming Celebration of Literary Brilliance

From September 1st to September 5th, 2023, Uttam School for Girls played host to Jonquil - The Inter-School Literary Fest. During the fest, students fervently engaged in a celebration of words and creativity, kindling a profound passion for literature and learning. The event, dedicated to the memory of the late Director Mrs. V. Bhusry, an ardent literature enthusiast, had the primary objective of fostering joyful learning while nurturing intellectual, social, and emotional growth among the participants.

The fest featured a mix of online and offline competitions. Offline contests like Poet's Palette, Resolute Renditions, and The Vocabulary Voyage showcased students' zeal, earning laurels for their school. I participated in the online competition Visual Vignettes, creating an animated story on "One Earth One Planet" and clinching the first position. This experience allowed me to gain valuable skills, work in a team, analyze outcomes, and discover my aptitude. Jonquils- a literary extravaganza, truly caters to the diverse dimensions of learning, motivating us to excel beyond just winning prizes.

## A Symphony of Moments!

## Exploring Minds: Insights from the Brain Teaser Club Captian

In the captivating realm of the Brain Teaser Club, our journey delved into diverse activities that enhance our math skills. From crafting engaging Pictionary and Math games to presenting them in class, we embraced the joy of problem-solving. Word searches and Sudoku challenges became our allies in deciphering intricate patterns and fostering logical thinking.

Now entrusted as the club's captain, my objectives are clear. I aspire to accomplish tasks assigned by our teachers, showcasing my leadership prowess and aiding fellow enthusiasts. It's more than unraveling puzzles; it's about fostering a collaborative space where mathematical challenges are not just solved but celebrated. Together, let's continue this thrilling adventure of expanding our minds and nurturing a love for mathematical exploration.

## Sunrise Conversations: The Breakfast Club Chronicles

Being part of this club has been a journey of discovery. I've gleaned insights into healthy eating, breakfast significance, table arrangement, napkin-folding techniques, and crafting balanced recipes. Now leading as the Breakfast Club Captain, I aim to amplify awareness about this exceptional community. Let's embrace the importance of a wholesome breakfast and the skills that come with it, creating a space where everyone can relish the joy of good food and healthy habits.

## CyberSphere: Where Bytes Meet Brilliance

As the School Cyber Club Captain, my role is pivotal in ensuring the growth of the club. Focused on leadership, I represent the club in school events, guiding projects and activities, providing direction on cybersecurity skills and tools, delegating tasks to club officers and members, and fostering a collaborative and supportive culture.

In terms of club development, I take charge of maintaining resources, documenting activities, and creating an inclusive environment. Staying abreast of cybersecurity trends, I aim to educate the club members on the latest technologies, threats, and best practices.

My commitment lies in steering the club towards excellence and fostering a dynamic environment for learning and collaboration among its members.

## Global Diplomacy Unleashed: MUN

### Club, a World of Debates and Solutions!

As the MUN Club Captain, I am delighted to provide a concise overview of our recent endeavours. Engaging in educational and diplomatic activities, we've deepened our understanding of global issues, refined public speaking, and fostered teamwork. Our weekly meetings focus on international affairs and MUN simulation preparation. Notable successes in enhancing diversity, and hosting a mock MUN conference for skill refinement.

Challenges, such as improving research skills and managing school commitments, are being addressed through targeted workshops and better time management. The commitment to continuous improvement in public speaking remains unwavering. The MUN Club is progressing dynamically, fostering diplomacy, leadership, and collaboration. I'm confident our dedication will lead to further success in the months ahead.

## Message from the Cultural Secretary

As the Cultural Secretary of the primary wing, I am thrilled to share a glimpse into my journey. Securing the first prize in swimming and triumphing in inter-school dance competitions has been a highlight, reflecting my passion for diverse talents.

Over the year, I've embraced numerous skills, not only excelling in swimming and dance but also assuming the role of Literary Secretary. This responsibility has taught me the art of blending creativity with organization and orchestrating events that celebrate our rich cultural tapestry.

My journey has been more than just winning accolades; it's been about cultivating leadership, literary prowess, and a deep appreciation for our cultural diversity. I am honoured to contribute to our school's vibrant cultural landscape and look forward to continuing this exciting journey of exploration and growth.

## Sports Captain's Chronicles: Inspiring Words That Ignite the Team Spirit!

As the Sports Captain, I'm here to highlight the diverse activities in our school, including chess, swimming, basketball, football, kho-kho, running races, golf and carrom. Chess isn't just about moving pieces; it enhances critical thinking and strategy, making us mentally sharp with daily play. Running races, kho-kho, and football serve as our daily workouts, promoting health and fitness.

I recently represented our school at the CBSE North Zone Cluster Chess Competition, securing the second runner-up position. It was a rewarding experience showcasing my chess skills on a larger stage. Let's continue excelling in all our activities and strive to make our school the best!

# Canvas Connoisseurs: Where Art Comes to Life!

I am honored to serve as the captain of the Art Appreciation Club, where we foster a love for art and creativity among children by providing valuable insights on cultivating art appreciation.

At Uttam School, we have been exposed to various art forms, engaging activities, drawing sessions, and inspiring exhibitions, all aimed at nurturing artistic talents. These diverse approaches are certain to kindle a passion for art in the young minds of our members. In my role as club captain, I aspire to introduce beginners to various art forms and promote art-based activities. Additionally, I will express gratitude for everyone's artistic efforts and contributions.

## Magical Christmas Celebration

This Christmas at school was like stepping into a winter wonderland! Grade 4 students immersed in the festive spirit by participating in a heartwarming nativity scene. The backdrop of Grade 5 students singing carols set the perfect festive tone. A special touch was the Kindness Tree, where we wrote heartfelt messages. It taught us the beauty of spreading kindness. Crafting wreaths to deck our class doors felt like adding a touch of magic to the festivities.

The auditorium transformed into a festive paradise, adorned with twinkling lights and festive decor. The entire experience wasn't just about celebrating Christmas; it was a lesson in spreading joy, and kindness, and coming together as a school community. This magical celebration truly warmed our hearts and taught us the true essence of the season.

On December 21, 2023, Uttam School for Girls orchestrated a magical celebration in commemoration of Christmas, transforming the school auditorium into a festive haven adorned with enchanting decorations. The venue featured splendid cutouts of reindeer, amplifying the festive spirit. The school radiated an atmosphere of unbridled enthusiasm and joy as the fifth-grade students, donned in white skivvies and black jeans, serenaded the audience with heartwarming carols. Simultaneously, fourth-grade students captivated the audience with a tableau depicting the birth of Jesus Christ, showcasing the significance of Christmas through remarkable costumes. Narrators skillfully guided spectators through the play, set against a backdrop of melodious carols. The highlight of the event was the grand entrance of Santa Claus, infusing an exclusive charm and eliciting joyous smiles from the delighted children in attendance.

Exploring the Kiran Nadar Museum of Art was a vibrant adventure filled with creativity and inspiration. The museum unfolded a kaleidoscope of beauty with captivating exhibits, featuring unique artworks such as paper folding, ink, and string art. A highlight of our visit was a delightful story about three monks that had us in stitches with laughter. The Passion Blue section left a lasting impression, showcasing a mesmerizing array of paintings all bathed in the captivating Passion Blue hue.

The journey through the museum was a feast for the eyes, immersing us in a world of colours and artistic expressions. Each painting told a unique story, and the diverse forms of art sparked our curiosity and imagination. The Kiran Nadar Museum of Art truly provided a wonderful and enriching experience, leaving us with cherished memories of a day filled with beauty and laughter.

## Embarking on an Artsy Adventure at Kiran Nadar Museum of Art, Noida!

Going to the Kiran Nadar Museum of Art, Noida with Grade III and IV students was like stepping into an amazing world of art! Our visit to the exhibition 'Prussian Blue: A Serendipitous Colour that Altered the Trajectory of Art' was like time-traveling with colors! We explored paintings that told stories, sculptures that looked awesome, and even attended a story-telling session – it felt like a magical wonderland of creativity! Surrounded by the enchanting Prussian Blue, we saw paintings that told unique tales with every brushstroke. Learning about the Prussian blue colour's history and its impact on art was like discovering a magical secret. I discovered that art is a way for people to express their feelings and tell stories. The trip made me appreciate art in a whole new way – it was like magic on canvas that left me inspired!

## Exploring the Grandeur of Rashtrapati Bhawan

Embarking on the educational journey to Rashtrapati Bhavan was a truly enlightening experience. Nestled in the heart of New Delhi, the visit unfolded the architectural marvel and historical significance of this iconic landmark. Our exploration was guided by a knowledgeable official who shared insights into the nation's political history and the pivotal role of the President.

A unique highlight was the opportunity to obtain an AI-generated picture alongside any President of India of our choice, adding a modern touch to our historical encounter. The halls of the Presidential Museum dazzled with motion pictures depicting the lives, history, and remarkable contributions of some esteemed Presidents. These visual narratives brought history to life. Wrapping up our visit, enjoyed a delightful lunch at the cafeteria. In conclusion, the Rashtrapati Bhavan trip not only showcased India's rich history but also deepened our understanding of the country's governance.

## Grades 4 and 5 Unveil a Global Extravaganza at the Social Science Exhibition!

In our recent Grade 5 Social Science Exhibition, we delved into G20 summit countries with a captivating cultural parade. Meticulously researched and collaboratively executed, we showcased each nation's unique traits, from cuisine to historical heritage. Adorned in authentic traditional costumes, we embodied the essence of our assigned nations, turning the exhibition into a profound learning journey. Our deliberate cultural representation emphasized respect and understanding, transforming the event into a powerful educational tool. My group focused on Japan, and my craft skills soared as I transformed a dusty branch into a sakura dream using pink tissue paper. Beyond the fun, I discovered the magic of teamwork, and the thrill of discovery.

Vrinda Jain V-A

Grade 4 students immersed themselves in the realm of PM Shree School during the Social Science Exhibition. Collaborating in groups, we showcased models that eloquently conveyed the school's objectives and its unwavering focus on education.

Through this creative process, we delved into the heart of PM Shree School's mission – the importance of education for young minds like ours. Our models vividly illustrated the journey of foundational literacy and numeracy, portraying the school's commitment to equipping us with essential skills.

As a student, this experience wasn't just about crafting models; it was about understanding the profound impact education has on our lives. The exhibition allowed us to express our newfound understanding of "Education for All," showcasing not only our creativity but also our collective belief in the transformative power of learning.

# हिंदी साहित्यिक उत्सव- सृजन

हिंदी भाषा हमारे देश के विभिन्न धर्मों और संस्कृतियों के लोगों को एकता के सूत्र में बांधती है। हमारे जीवन में हिंदी भाषा का बहुत महत्व है। उत्तम स्कूल फॉर गर्ल्स में प्रसिद्ध उपन्यासकार श्री मुंशी प्रेमचंद जी के जन्मदिन के अवसर पर 31 जुलाई को तीन दिवसीय कार्यक्रम हिंदी साहित्यिक दिवस 'सृजन' के रूप में मनाया गया। कार्यक्रम की शुरुआत सरस्वती वंदना के साथ हुई। इस तीन दिवसीय कार्यक्रम में कक्षा नर्सरी से कक्षा पाँच तक की सभी छात्राओं ने भाग लिया और अपनी प्रतिभा का प्रदर्शन किया। कुछ गतिविधियाँ जैसे : हमारी धरा (कविता वाचन), एक आकार अनेक विचार (शो एंड टेल) एवं वसुधैव कुटुम्बकम् (आशुभाषण) आदि विद्यालय के प्रांगण में आयोजित की गई और कुछ गतिविधियों जैसे - रचनात्मक लेखन (कहानी बुनो), मिलकर पढ़ो और आगे बढ़ो एवं मुहावरों पर आधारित कहानी आदि का सञ्चालन कक्षा कक्ष में हुआ। एक आकार अनेक विचार गतिविधि में अपनी पसंदीदा वस्तुओं के बारे में बताते हुए नहीं छात्राओं ने सबका मन मोह लिया। अंत में कक्षा पाँच की छात्राओं द्वारा वसुधैव कुटुम्बकम् विषय पर आशु भाषण द्वारा अपने- अपने विचार प्रस्तुत किए गए। कार्यक्रम के अंत में मुख्याध्यापिका जी ने विद्यार्थियों का उत्साह वर्धन किया और हिंदी भाषा के महत्त्व पर बल दिया।

## Sparkling Dussehra Celebration: Unveiling Lord Rama's Lessons

In the festive spirit of Dussehra, our class joyfully participated in special Assembly, where we showcased the remarkable qualities of Lord Rama's life through a tableau. I was thrilled to portray the role of Lord Rama, showcasing the moments he shared with Nishadraj. This story left us with valuable lessons on kindness, gratitude, and impartiality towards all sections of society. Through our play, we emphasized the significance of each individual in our community. The stage came alive with the classical dance performance by Grade 5 students, while the melodious Chaupai from the Ramayana by Grade 4 students added a magical touch to the celebration. The entire experience was delightful, leaving us inspired to carry forward the teachings of Lord Rama in our daily interactions.

# Enchanting Tales Unfold at 'Storywalk'

My experience at the 'Storywalk' event was incredibly fun! Despite feeling a bit nervous, I embraced the opportunity to speak. I portrayed Matilda, a girl blessed with magical powers. Throughout the story, her evil parents, brother, and school headmistress tried to bully and bother her, but with the support of her classmates and the sweet class teacher, Miss Honey, I triumphed over them all.

Portraying Matilda's character was a delightful experience, and my friends took on roles from the famous 'Harry Potter' series, as well as characters from 'The Blue Umbrella,' 'Pinocchio,' 'The Adventures of Tom Sawyer,' to name a few. Together, we brought the magic of these stories to life and created lasting memories at the event.

The applause from our headmistress and principal added to the rewarding experience of our performances. Dressed as the characters we portrayed, we elevated the enjoyment of the event, making it a memorable and delightful occasion.

## Seeds of Change: Unleashing a Green Revolution through Our Plantation Drive!

On July 22, 2023, all students of Uttam School For Girls came together for a plantation drive, embodying the spirit of 'Mata Bhoomi Putro Aham Prithivya'—to nurture Mother Earth and sow the seeds of a greener tomorrow! More than 800 saplings of medicinal and fruit trees, each carrying the promise of life, found their new home in the public parks of Shastri Nagar I, J, and H blocks, as well as within our school campus.

Each student also received their very own sapling to plant near their residences. I named mine Greenie! With my father's help, I dug a small hole in the soil and gently placed Greenie inside. Providing it with water to grow big and strong, I visit my little Greenie every day, talking to it and ensuring it gets enough sunlight. I've learned that plants, like our green friends, need water, sunlight, and love to thrive. Trees act as superheroes for our Earth, providing fresh air and making the planet happy.

# Embrace the Earth: Unite for a Sustainable Tomorrow!

The vision of "One Earth, One Family One Future" takes on a unique perspective that celebrates diversity while uniting us for a common cause. "One Earth" reminds us of our shared responsibility in preserving our planet's well-being through sustainable practices and eco-friendly initiatives. "One Family" emphasizes the celebration of different cultures, languages, and traditions, mutual respect, and understanding among global communities. "One Future" urges collaboration to address global challenges like poverty and inequality.

We all live on the earth and we all are a part of one big family. We share this planet with all living beings, and we all have a responsibility to take care of it. We can do this by living sustainably which means using less energy.

By embracing unity and sustainable living, we pave the way for a harmonious and thriving future for generations to come. Together, we shape a world where our actions reflect the interconnectedness of life on Earth.

Priyal Kaushik III-A

The theme of India's G20 Presidency, which is --Vasudaiva Kutumbakam or "One Earth, One Family, One Future" is derived from the ancient Sanskrit text" called the Maha Upanishad.

The earth is our only home we are all part of one human family and our future is interconnected. The concept of "one earth, one family, one future. is a powerful vision for a sustainable and harmonious world. It reminds us that we are all interconnected and that we have a shared responsibility to care for our planet

The challenges we face today such as climate change, poverty, and inequality, can only be solved if we work together as one global community. We need to recognize that we are all part of one Earth and that our future depends on our planet.

Together we can carve a brighter future celebrating the beauty of our uniqueness as One Earth, One Family united for One Future.

# Jingle All the Way: Christmas Cheer at Uttam School For Girls!

Uttam School For Girls in Ghaziabad had the most amazing Christmas Celebration on December 22, 2023. The school's auditorium turned into a magical place with a Nativity Scene. The day started with a special assembly where Grade V choir sang melodious carols, and students presented a Nativity Scene! We also made Christmas crafts like wreaths, origami Christmas trees, reindeers, Christmas balls, stockings, bells, tangram Christmas characters, and paper quilling Christmas trees. The whole school looked like a winter wonderland with decorations created by students from Grade Nursery to V. The students wrote about acts of kindness on cards, and tied them on the kindness tree. It made the festival of Christmas even more special and joyful!"
