Connecting Cultures: International Collaboration

INDIA×JAPAN

INDIA×SPAIN

After two years of fruitful online collaboration, our school welcomed twelve students and faculty from Toshimagaoka Josjigakuen. Together, they delved into eleven captivating research and STEM projects, alongside immersive cultural activities such as yoga and art appreciation sessions. The visit culminated in an enlightening city tour, showcasing India's diverse and rich heritage, leaving an indelible mark on our guests' experience.

After two years of successful online collaboration, our school had the opportunity to embark on a ten-day journey to Spain. Immersed in the vibrant culture, students and faculty explored iconic landmarks like the Real Madrid stadium, participated in immersive cooking classes, delved into Spanish dance with flamenco sessions, and engaged in environmental service work. This exchange not only fostered cultural understanding but also created lifelong connections and cherished memories for all involved.

INDIA×GERMANY

Rishika Mishry, a student from class 10A, enjoyed an enriching journey to Karlsruhe, Germany, from 30th June to 20th July. During her stay in Karlsruhe, she had the opportunity to engage in an array of leisure activities, including badminton, basketball, bowling, football, swimming, table tennis, table football, billiards, nature walks, and cultural activities. Additionally, she explored excursions to Goslar, adding to her memorable experiences during the trip.

Celebrating festival of democracy

In a vibrant display of civic engagement, students at Uttam School for Girls recently ignited democracy awareness. Composing a stirring anthem and spreading awareness about the Lok Sabha elections, our students actively engaged commuters at Ghaziabad Railway Station and visitors at Central Park. Through interactive sessions, street plays, and discussions, they effectively promoted democratic participation and civic consciousness, involving parents in the process. Their efforts played a pivotal role in shaping our collective future!
