IMPORTANT POINTS:

- Provisional Admission will be granted on the basis of Written Test which will be a **computer-based test (CBT)** conducted in school.
- The school reserves the right to make amendments in the above-mentioned clauses/criteria keeping in view the final result of the students in Class-X.
- Provisional admission will be granted based on Class X Pre-Board results until the Board Results are announced.
- According to the school's scholarship eligibility criteria for Grade XI (2026-27), students will be entitled to the scholarship only after the Board Results are announced.
- Each student has to **select five subjects**.
- The school will try to accommodate individual options; however, **the final decision will depend on the number of students in a particular subject**. Minimum 10 students are required to start with the subject option.
- As per the board guidelines, students who have passed Basic Mathematics (subject code: 041) at Secondary level are not eligible to opt for PCM. Keeping the interest of the students on priority, the school is offering Applied Mathematics (subject code: 840) for Grade 11 students of Commerce and Humanities.
