

Dear Parents,

To celebrate **Earth Day** and encourage our students to develop a deeper connection with nature, we are organizing a special visit to the *Central Park, Sector 6, Raj Nagar*. This visit is planned for the students of Grades III on **Wednesday, 22nd April 2026**.

This educational field trip will provide children with a meaningful opportunity to observe and appreciate the natural environment. As part of the activity, students will engage in a creative exercise—designing a **collage/mandala using fallen natural materials** such as leaves, twigs, and petals collected from the garden. This hands-on experience aims to foster creativity, environmental awareness, and respect for nature.

KINDLY NOTE:

1. Students will have a regular working day from 7:40 am to 2:00 pm. We will leave for Central Park at 8:00 am and return by 9:30 am.
2. Students must come in regular school uniform along with their I-card.
3. Students are required to bring the following materials for the activity:
 - o A4 size pastel sheet
 - o Fevicol
 - o Colours (sketch pens/colour pencils/crayons)

We look forward to providing a joyful and enriching Earth Day experience for all students. You are requested to fill in the consent form and send it to the class teacher by **Tuesday, 22nd April 2026**.
