

Dear Parents

The International Award for Young People (IAYP) is a global, non-formal education framework which operates in more than 130 countries. The award aims to inspire young people between the age group 14 to 25 to dream big, set out for personal discovery and make a difference in the world.

Uttam School is proud to be officially affiliated with IAYP program for the last 19 years. Apart from enriching students with social values, IAYP gives them opportunities to contribute to society in innovative and creative ways which they can carry forward in most reputed colleges in India and abroad.

The student registration fee for the program is ₹1500 for the bronze level. Parents are requested to send the same through ERP by 20th April 2026.
