

Consent Regarding the Use of Floaters During Swimming Lessons

Dear Parents,

Our Grade 1 students have now been attending swimming lessons for some time, and many of them have grown into confident swimmers under the guidance of our trained instructors. To ensure that we follow your preference regarding your child's swimming practice, kindly indicate whether you would like your child to continue using floaters during swimming sessions.

Kindly deposit the labelled floaters at the school.

For the ease of the children we recommend that they can keep their goggles, swimming cap, slippers and floaters in a labeled bag in their locker.

Your cooperation is greatly appreciated.

Regards

Ms. Sharmila Raheja
Principal
